

## Preventing Terrorist Attacks How You Can Help

This is a message that bears repeating, no matter where you live in the world: Your assistance is needed in preventing terrorist acts.

It's a fact that certain kinds of activities can indicate terrorist plans that are in the works, especially when they occur at or near high profile sites or places where large numbers of people gather—like government buildings, military facilities, utilities, bus or train stations, major public events. If you see or know about suspicious activities, like the ones listed below, please report them immediately to the proper authorities.

**Suspicious Questioning:** Are you aware of anyone attempting to gain information in person, by phone, mail, email, etc., regarding a key facility or people who work there?

**Tests of Security:** Are you aware of any attempts to penetrate or test physical security or procedures at a key facility/event?

**Acquiring Supplies:** Are you aware of anyone attempting to improperly acquire explosives, weapons, ammunition, dangerous chemicals, uniforms, badges, flight manuals, access cards or identification for a key facility/event or to legally obtain items under suspicious circumstances that could be used in a terrorist attack?

**Suspicious Persons:** Are you aware of anyone who does not appear to belong in the workplace, neighborhood, business establishment, or near a key facility/event?

**"Dry Runs":** Have you observed any behavior that appears to be preparation for a terrorist act, such as mapping out routes, playing out scenarios with other people, monitoring key facilities/events, timing traffic lights or traffic flow, or other suspicious activities?

**Deploying Assets:** Have you observed abandoned vehicles, stockpiling of suspicious materials, or persons being deployed near a key facility/event?
